

Invitation for Applicants to apply for Marie Skłodowska-Curie Individual Fellowships

SOCIETY AND ENTERPRISE PANEL (SE)

Curio Biotech SA is a young start-up company located at BioArk (Biotech Park), Visp in Valais in Switzerland. The state of Valais in Switzerland is a hub for the life science Industry with 1 out of 4 jobs in Switzerland now being recruited there. At [Monthey](#) and [Visp](#) several reputed companies such as Lonza, ExcellGene etc. are located. Our start-up, Curio Biotech, was also founded in Visp and brings extensive experience in the fields of human – **1) dermatology, 2) reproductive biology and 3) immune-biology of autoimmune diseases.**

Beyond providing contract research services to pharma, cosmetic and nutraceutical companies, Curio Biotech invests in the development of innovative products in the above mentioned areas.

Currently, we are actively looking for motivated applicants who are interested in shaping their industrial career in life sciences sector in any of the above-mentioned 3 areas by making application for a **Marie Skłodowska-Curie Individual Fellowships under the SOCIETY AND ENTERPRISE PANEL (SE) of the EU Horizon 2020 program.**
